

THE BIRMINGHAM & DISTRICT FOOTBALL LEAGUE

(Formerly the Birmingham & District Amateur Football Association & League)

founded 1908

www.birminghamafa.co.uk

Following the FA decision last week and further guidance from Birmingham County over the past few days, the Principal Officers of the BDFL met virtually on the 31st March.

Following LMC approval the decisions are -

HS Smith Shield- cancelled for season 2019/20.

League Programme for season 2019/20 - declared null and void, no promotion / relegation and no shields / medals presented / given. Once LMC is aware of the club entries for season 2020/21, at its constitution meeting in July, regard will be made to the current standings in the various divisions for next season.

Cup Finals - it is our intention to play the finals (and the one outstanding semi -final being the Intermediate cup) before the start of next season and we are planning for sometime in August. The Veterans cup for season 2019/20 is to be cancelled.

We have tried to be as fair and equitable as possible for all clubs in the BDFL and realise the impact this may have on clubs. We understand there will be concern over finances, with this in mind, do assess your financial position. We are monitoring the situation on a daily basis and once this is over we will contact you again.
